HENDERSON Is overjoyed over Brown's nomination for Governor. Upon his re-turn home he was met by all the citizens of the town headed by a brase band.

The States which in 1892 will take part time are, North Dakota, South Dakota, Montana, Washington, Idaho and Wy-

oming.

The crowd at the Louisville races on Derby Day was estimated at twenty-five thousand. The berby itself was a farce, the running being the worst ever witnessed on the track.

1r is reported that the Republican leaders of the state are in favor of abau-doning Wood and Denny and bringing out Frank Finley as a candidate for the Gubernatorial nomination.

Jis McKinzie did not curry his point in his effort to lay a substitute for Sena-tor Blackbirn's silver resolutions before the Convention, but nevertheless Ken-tucky is for Grover Cleveland for Prosi-tion 1000.

(inoven Cleveland made another one of his cloquent, logical, and sound Democratic speeches has week before a Democratic andience in Buffah, that pats him in the lead for the Penocratic nomination for the Presidency In 1882, and assures him the vote of that state.

Gages B. Baum Jr., son of the Commissioner of Pensions has been guitty of some irregularities, which have forced Secretary Noble to demand his resignation. Young Baum is charged with trading off three positions in the Pension office, and with using the Government's money.

anomey. A number of Kentucky's best speakers and orators were absent from the State Convention, notably Hon, Henry Wat-terson, W. C. P. Breckenridge, John G. Carliele and Gov. S. B. Buckner. They did not put in appearance at all and no reason could be assigned for it, unless it was that they were playing sky of so many popular candidates.

Lorisville seems to have gotten more ban her share of the big public gather-age at one time. A part of last week and this, there has been going on there to one time, the Democratic State Con-ention, May Musical Festival, the meet-ting of the South Link Comment. searon, any student restrait, the mechang of the Scotch Irish Congress, the Spring Meeting of the Jockey Club and the Elks Reunion. All of these things took more people to the city than she could conveniently accommodate.

With tears in his eyes President Har-tison, in his opecel, at Indianapolic the other day, eledingly referred, to the good elegate of Indiana, and his former asso-ciations there among old friends. He also said that in Hossier soil he desired to rest when like's ladors were done. Of course this was all mighty pretty talk, in advance of that important business to take place in '92, in which Indiana is control talking modern West tears as going to take a unglity lively interest.

The fight all down the line for Gov-nor's place on the ticket was hot from earnest faithful workers for a set of enti-didates. While every inch of ground was strongly contested, it was noticeable that it was all one through the best of feeling. Now that the honor falls to John Young Hrown, one of Western Kentucky's most brilliant and giffeel attenuam, let every man of the party come out and do life duty, and give him lifty-thomand majority on the ticket in

any-timesam importy on the treatment of August.

Event supporter of P. W. Hardin in his late standishey has a right to be proud of his chief. No Knight of old ever conclied a more chivalrous lance. His speech to the Convention was the appearance of the convention was the appearance of the convention was the appearance of the convention of the conventio

THE GREAT CONVENTION.

A FULL TICKET NAMED BY THE DEMOCRACY.

THE TICKET.

Governor—JOHN YOU'NG BROWN, Lleut-Gov, —M. C. Al-FORD, Attorney-Gen.—W. J. HENDRICK, Auditor—J. C. NORMAN, Treasure—H. B. HALE, Reg. Land Office—J. B. SWANGO, Supt. Pub. Int.—E. P. THOM'SON, Clierk Court of Appeals—A. ADDAMS.

Supt. Pink. Inst.—E. P. THOMPSON. Clerk Court of Appeale—A. A DIDA MS.

The great Democratle Convention is over. The loys in the trenches have all returned home feeling better, some of them, for having been theve, and leading of them, and the some over defeat. But they all reidle in one thing, and that is their Democracy and whether the nominees are exactly to their choosing or not, they are now none the less strong in their devotions to their party and Its several standard bearers. The Convention met on Wednesday and adjourned on saturalay night being in session from draw with seeds extra ever known at a State Convention. Every section and country in the state was represented with large delegations and the city of Loniviting condition, a real feast of Democratic loots. It was a grand meeting the control of the state of the

came as single and one to which the key would
have been a valuable prize to the holder. The only solution to the situation
and even after the tenth no man could
tell what the end would be. So the contest was a very exciting one up to the
very last hallot. The session was an allday one. Members froze to their seats
from 9 a.m., to 6 p.m., affall to leave
the hall for fear of some advantage being
secured by their opponents. When the the hall for fear of some advantage being secured by their opponents. When the final did come ano it was sure that Brown was the leader, a guander demonstration was never witnessed by the eyes of man. A deafe ning shout that shook the very walls and lasted for ten minutes went up, together with a thousand lusts and bank-erchiefs. It was a seene long to be re-membered.

erchicfs. It was a scene long to be re-membered.

The applianse had not yet subsided when it received a fresh imperius at the sight of Mr. Brown essorted down the stage by Gen. Hardin. He was given a most hearty reception, and spoke as follows:

WE:

(Western a tree of the professor words would be in a tree of to vere the professor directly the season of the professor directly the season of the professor directly the season of the season of

The Crop Outlook.

Tobacco plants are reported plentiful and with a good rain soon a large crop will be set out. In some sections the plants are small and need rain to bring will be set out. In some sections the plants are small and need rain to bring them out. The out crop will be very light. A good rain however will bring it out. The dry weather is not doing the wheat any good and some fields are beginning to turn yellow. With a good rain the crop will be all right. The best farmers say the doubt, so a did not a second rain the crop will be all right. The best farmers and the doubt, so a good rain the will be an adventage to all crops, provided a good rain falls within the next set will be an adventage to all crops, provided a good rain falls within the next set will be not entered to the fruit, is the cry from every section of the county. And if the blossome on the blackberry business are any indication of the size of the crop, the people along the Ilardine-burg branch can gather enough this year to pay their present year's railroad lax. The woods are fall of them. Don't be alarmed good seeping before the size of the crop, the people along the lax. See your and the size of the will provide. See good good are fall of them. Don't be alarmed good seeping before the size of will provide. See good good are fall of the size of will provide. See good good are fall of the size of which our railroad sacilities, as good as any county in the State, our new enterprises going up in every section of the county. All we have to do be to put our shoulders to the wheel and push together. Cloverport is prosperous, so is Hardinsburg Stephensport, Irvington, (theraken and all the towns and villages in the county. The county. It is loaded encountgring.

" NOTES

There is only one sudden death among woman to every eight among men. Farm lands in the United States, taking the country as a whole, occupy only 280 acres in every 1,000.

This country has one million miles of telegraph wires; enough to reach forty times around the globe.

times around the globe. Nine hundred and fifty subnoarine tele-graph cables are now in operation, most of them in Europe; their total length is over 80,000 miles. England has more woman workers than any other country, in proportion to population; twelve per cent, of the In-dustrial classes are woman.

distrial classes are woman.

There are about 105 woman to every 100 men; one quarter of the population of the world die before the age of seven-teen years; only one in a thousand lives to be 100 years old, and only six in a thousand reach seventy-five.

thousand reach seventy-five.
Emperor William is said to be fond of
going about disgoised at night to certain
liquor shops and made halls where his
soldiers and siltors are to be found, in
order to pick up criticisms of his army
and navy.

and navy.

Railway constructors agree now that
the speed limit of the steam locomotive has been about reached.

There is no country like France for
